When you give to United Way, your donation helps people served by programs at 40+ affiliate agencies. United Way volunteers work hard to assess community needs and raise the funds necessary to address those needs. Our community volunteers also evaluate agency programs and allocate donated funds where they will make the most impact.

We also understand you may wish to designate your gift to one or more agencies or key focus areas. On the back of your Commitment Form, simply write in the designation code listed beside the agency or focus area you wish to support. Note: \$100 minimum designation amount per agency or focus area.
